## Text:

Dibujo un garabato  
En una hoja en blanco  
Se mueve por la hoja  
Y se convierte en pez

A veces salta y es un sapo  
A veces corre y es venado  
A veces vuela y es un pájaro

Dibujo un garabato  
En una hoja en blanco  
Se mueve por la hoja  
Aúlla y aúlla

Porque he dibujado  
Un nuevo garabato  
Que brilla  
Y es la luna

- *Mirtha Luz Pérez Robledo*

## Translation:

I draw a doodle  
On a blank sheet  
It moves across the page  
And becomes a fish

Sometimes it jumps and it's a toad  
Sometimes it runs and it's a deer  
Sometimes it flies and it's a bird

I draw a doodle  
On a blank sheet  
It moves across the page  
It howls and howls

Because I have drawn  
A new doodle  
That shines  
And it's the moon

## From the Composer:

“Dibujo Un Garabato” (I Draw a Doodle) is a composition created with the support of the Program for the Stimulation of Artistic Creation and Development (PECDA) 2021. It is dedicated to the Community Choir of the National System of Musical Promotion “Voces del Mar” in Veracruz, Mexico. This piece reflects the innocence and imagination of childhood, where a simple act of drawing becomes a creative adventure full of possibilities. In the words of the writer Mirtha Luz Pérez Robledo, “It speaks of the moment of children’s creation when drawing, as with a doodle, they can create a world full of imagination.”

Musically, this work seeks to capture the essence of the lyrics through soft chords and fluid arpeggios that intertwine with melodies that mimic the strokes of a doodle. Likewise, it is expected that the voices will support this idea with a sweet and clear sound; it is recommended to complement it with body movements that reinforce the musical phrasing.
