Dayeinu!

(It Would Have Been Enough)

For SATB Chorus and Piano

From the Passover Cantata *V'higad'ta L'vachem*

FOR PERUSAL ONLY

Program note:

Dayeinu is the central song of joy and gratitude from the Passover Seder celebration. My setting of Dayeinu, an exuberant dance, is from the Passover cantata *V'higad'ta L'vincha* ("And you shall tell your child") that was composed in 1996 for the Syracuse Children's Chorus, Barbara Tagg, founder and director, and was commissioned by the Chorus as part of the "Commissioning Music/USA" program of Meet The Composer and the National Endowment for the Arts, with support from the Helen F. Whitaker Fund. The larger composition is based on selections from the Haggadah, the central text of the Passover celebration. One of the most significant themes of the Haggadah, emphasized in my choices of text for the piece, is that we all must experience the story of the deliverance from slavery as if we ourselves had lived through it; we must then tell our children that story so as to pass it down, vividly, from one generation to the next. A recording on CD of the original version for three-part treble chorus with the Syracuse Children's Chorus, Barbara Tagg, conductor, appears on the album *Generations: Music of Gerald Cohen* (New World Records NWCRI 879).

Note: *Dayeinu*, and the entire *V'higad'ta L'vincha*, are also available in a version for treble chorus. Either version can be performed either in a full score version with clarinet, cello and piano; or in the piano reduction as published here. All versions are available from Gerald Cohen Music: www.geraldcohenmusic.com

How many acts of kindness God has performed for us!
If God had brought us out of Egypt, Dayeinu! [it would have been enough for us!]
If God had split the sea for us, Dayeinu!
If God had sustained us in the wilderness for forty years, Dayeinu!
If God had brought us before Mount Sinai, Dayeinu!
If God had given us the Torah, Dayeinu!
If God had led us to the land of Israel, Dayeinu!
