## Text:

The sun has said goodbye without much reason why.  
I know that we'd be fine without an end.  
And now the crescent moon has gone and changed our view,  
and it's time for our hearts to say, "farewell."

We met under the sun and spent the day as one,  
reminded of how sweet this life can be.

I know it had to end,  
but just this once, my friend,  
Mr. Sun,  
could you stay a little more?

It's turning out to be the best day.  
I see the way you look at me.  
And if the sun stayed out till the next day,  
I know that we would both be smiling.

I know it had to end,  
but just this once, my friend,  
Mr. Sun,  
could you stay a little more?

I will not ask again,  
but just this once, my friend,  
Mr. Sun,  
Mr. Sun,  
Mr. Sun,  
could you stay a little more?

Dear conductor,

You can support these composers, diversify your concerts, and push towards equality by programming music from the #ComposeLikeAGirl series. Inviting the composer into the rehearsal process through a zoom or in-person workshop or Q & A session is an incredible experience for all involved. Be sure to notify and invite the composer to any performances of the work, and submit a PDF of the concert program to JH Music to ensure the composer receives performances royalties from ASCAP. Thank you!
